“ The art of flavours between Switzerland and Italy “

CULTURAL VOYAGE

Switzerland can relief your soul with its peacefull landscape surrounded by the mountains. Everyday can be as sweet as a chocolate and the rhythm of life is well marked like the seconds on a clock.

Italy is well know around the world as BelPaese, In this country we totally disconnect from reality to enter an ancient world, where the rhythms are slow the every dish must be tasty, every flavor intense, every sip that reaches the palate must know how to excite
